# Burlington

The Burlington is the preferred choice for traditionally styled, new build or refurbished properties, with a sleek round top for a more discreet aesthetic.

## All information is per section

**BUR 0838-B**

Primer (requires overpainting)	<b>£166.00 ex VAT</b> £199.20 inc VAT

Hand polished finish	<b>£256.00 ex VAT</b> £307.20 inc VAT
Height (mm)	838
Output (watts $\Delta t$ 50°C)	136.1
No. columns deep	2
Depth (mm) - D1	214
Depth (wall to face) (mm) - D2	246 or 256
Pipe centres from wall (mm) - D3	139 or 149
Width (mm)	76
Dry weight (kg)	12.2
Water content (L)	2.9
Max no. factory built sections	15

## Joining key

Model / Code **ZXT00L-02**

Burlington joining key **£160 ex VAT** **£192 inc VAT**

We will always strive to keep on-site assembly to a minimum, but for radiators larger than the maximum factory assembled size (see charts above) on-site assembly will be required.

Full instructions and parts will be supplied, although a joining key tool will need to be purchased separately on a sale/return basis.

To calculate the length of the radiator, multiply the number of sections by 76mm, then add 24mm for reducing bushes.

Please note there is a +/- 2mm manufacturers tolerance per section. We strongly recommend not setting pipework until the radiator has been delivered.

Shown here in Dark Old Penny finish with Chartwell brass thermostatic valves and traditional brass pipe sleeves.
