Tuscan Foundry Drainage Ltd is one of the UK's leading manufacturers and distributors of Cast Iron products for the construction industry.

Our UK operations are based in Mid Wales. In addition to the industry leading range of traditional Cast Iron rainwater and soil goods we offer socketless, mechanically jointed Soil and Drain systems and a push fit above ground soil system.

As one of the few working foundries left in the UK we also offer a genuinely bespoke service that includes drawings, pattern making and manufacture.

The Tuscan Foundry Drainage Price List includes all our systems. Price Lists for individual systems, for instance Telford Drain, are available as downloadable PDFs from our website.
